Cast:

Please stop by my room after school Thursday 6/1. We will have a short Cast Meeting so I can get you on our Remind101, give you a script and a Dialect CD/Package. You will be expected to work on Dialect over the summer before rehearsals start. We will use the Dialect exercises in the packet during rehearsals and for warm ups.

I want to congratulate EVERYONE on an amazing audition! You made my job very hard and I could honestly cast this show about 4-5 different ways with all of the talent in the room! If you were not cast and would like to participate in the tech crew, please stop by Lamberts room by Wednesday to let her know that you are interested and what your interests are! We have openings for all areas of crew! Thank you again for all of your hard work yesterday!

Remember, Grapes of Wrath Auditions are the first week of school! ;) Enjoy your summer!!!
